

MESSAGE FROM THE DISTRICT MANAGER

Modernizing on the Web and in the Parks

BY ADAM BLACKMORE, DISTRICT MANAGER

Happy 2021! I am thrilled to be writing my first letter to you as your new District Manager and cannot wait to meet you all. I am happy to announce that with the State's Covid-19 Dial changing colors and our park grass turning green, the Prospect Board of Directors has approved us to slowly but surely get back to the point of accepting reservations and providing you with the fantastic rental options and service that is synonymous with the Prospect Recreation & Park District. Please keep an eye on our website, www.prospectdistrict.org, for additional details and updates.

Speaking of our website, we are working diligently to make it a more engaging and informational tool for our District residents. The goal is to provide you with the most up-to-date District news through our News & Updates section, as well as highlight happenings via our site's homepage.

Additionally, as part of our enhanced resident engagement strategy we have created the first-ever Prospect Recreation & Park District Facebook page. We will do our best to use this tool to keep you up-to-date on upcoming special events, programs, park maintenance, facility closures and so much more. Please "like" our page and be sure to share your pictures, and tag us, while you are out and about enjoying the Prospect parks. Ideally between the website, our new Facebook page and our info@prospectdistrict.org e-mail address, we hope to provide plenty of ways for you and your fellow Prospect residents to engage with all that our wonderful District has to offer.

As you can see on the back page of this newsletter, we have several exciting projects underway throughout Fairmount & Applewood. Highlighting only one of these projects is tough, but I am delighted to see the playground replacement beginning to get underway at Fairmount Park. While the original playground was a popular attraction, the surfacing and equipment had become outdated and was ready for a fresh look.

We will be replacing the playground equipment with new state of the art elements for all ages, including a multi-user ring swing, a "jumbo" multi-child slide and an interactive pre-school playhouse. There will also be new colorful benches and Prospect themed pour and play surfacing to ensure the safety, comfort and enjoyment for everyone. Construction will begin soon, and we are hopeful that the weather cooperates, and we have residents enjoying the new playground by the start of the summer.

I hope everyone's 2021 is off to a great start and I could not be more honored to be leading this tremendous District. Hope to see all of you out at the parks, on the trails, in the picnic shelters, playing on the sports fields or maybe even flying high on the swings!

-Adam

Some new and exciting renovations are currently taking place and we are confident that Applewood will be the place to be. With a newly remodeled restaurant and bar area, we will be serving up not only the great food and drinks you've come to know, but also a new industrial "gastro pub" vibe that you and your friends will love. Along with a new look inside, we have also added garage doors and a new patio.

Our remodels will be completed just in time to celebrate our 60th year here in Golden! Established in 1961, Applewood has continued to help grow the game of golf and provide a community and family-like feel for everyone. In the summer, we will be holding a weekend full of festivities, golf and fun to celebrate! More details will be released soon and we hope to see you all there.

Whether you want to improve your game, make new friends or create lasting memories with the best of them, your second family awaits you at the Applewood Golf Course!
